

October 2023

Dear Parent/Carer

**Year 11 Parental Engagement Evening**  
**Wednesday 11<sup>th</sup> October 6.00pm, Upper School Hall**

We would like to invite you to the Year 11 Engagement Evening on Wednesday 11<sup>th</sup> October at 6pm.

As we are now 4 weeks into the school year, we hope your child has settled back into the routine of school life. This is a very important year for all our year 11 students as they work towards completing their final exams and qualifications and start to plan for the next steps in their education.

All Year 11 students will be completing their English Language Solo talks (10% of their final GCSE Language qualification) next week and will be undertaking the GCSE Maths Numeracy exams in the week following half term. This is in addition to NEAs and coursework that they will be completing in other areas across the curriculum at present.

We understand that this can be a challenging time for our students and for those that are supporting them on their journey. It is often difficult to know what you can do to help. We hope that during this evening we can provide you with strategies that you can use to support your child through the demands of the next nine months. We will also share key dates with you, subject support, assessment information and other information we feel may be useful to you.

There will also be an opportunity to ask questions should you have any, although please be aware that subject teachers will not be available on the evening.

We look forward to welcoming you so that we can work together to ensure that your child achieves their potential over the coming year.

Kind regards

Ceri Garlant

Deputy Headteacher
