RE: Yr9 free choice survey – KS4 option subjects

Dear Parent / Carer,

Today an e-mail has been sent to your child's school e-mail address with a link for them to access the online Applicaa portal. We are using this to inform us of the students' free choice of option subjects for KS4. Once we know what how many students want to take a particular subject, we can then generate a workable option grid for final choices.

Please will you spend some time with your child discussing their options choices and ensure they have completed the form by February 9th 2024?

A few brief slides on how to complete the process have been placed on the school's website under the Curriculum tab / Yr 10 and 11 Subject Information.

If you have any questions about the process, please contact the Yr 9 Progress Team in the first instance.

Yours faithfully,

Mr J W Davies

Assistant Head Teacher
