RE: Calling all Alumni

Dear Parents / Carers,

To raise the aspirations of all learners in the school, we are trying to provide as many authentic opportunities as possible with regards Careers and Work-Related Experiences (CWRE) during subject lessons, wellbeing sessions and one-off large events.

If you were a student previously at Whitchurch High and think you would be able to help some of the current students understand the world of work, what it entails, and what skills and attributes they will need to be successful in the future, please could you complete the quick online form at the bottom of the page?

Once completed we will be able to invite you in to help with a range of activities ranging from mock interviews, specific career workshops to being a dragon on a dragon's den style enterprise activity.

If you think you could help and would like to get involved in giving something back. Please complete the form on the link below.

Thank you for considering this and for the opportunities you will provide if you sign up.

Yours faithfully,

Mr J W Davies

Assistant Headteacher
