Dear Parent/Guardian,

The Mathematics Faculty has put together a series of short videos with hints and tips to help parents and carers to support their children with revision for the upcoming Year 11 GCSE Mathematics-Numeracy examination in November.

<https://youtu.be/leQ5Ytlx0ZY> - General tips on getting started (4-5 minutes)

<https://youtu.be/6iaUrVK1wF8> - How to support child with maths (9-10 minutes)

<https://youtu.be/cATED7ZOfaY> - Online maths resources evaluated (8-9 minutes)

We hope you find these useful. If you have any questions, please contact your child's Mathematics teacher in the first instance.
