

25th June 2026

Dear Dear parents and carers,

Further to our communications this week regarding high temperatures, and yesterday's update about returning to a full school day on Friday, we would like to inform you of a further change.

Although conditions are expected to be less extreme, forecasts still indicate temperatures of 22–26°C, alongside a high to very high UV index and elevated humidity during the school day.

Following the considerable disruption to learning this week, the School and Faculty have taken the decision to postpone the Headway Charity Run planned for Years 7, 8 and 9 tomorrow, Friday 26th June.

Pupils will follow their usual timetable tomorrow and should arrive fully prepared with all necessary equipment. As a reminder, it is Friday (Week B).

As outlined in our previous communications, uniform adjustments will remain in place: students may remove their tie and loosen their top button, or may wear their school PE kit if they feel this is more comfortable in the current conditions.

A revised date for the Charity Run will be shared with parents, carers and pupils as soon as possible.

Thank you for your continued support.

Yours sincerely,

Nick John  
Headteacher
