

Dear Parents and Carers,

Parental Engagement Evening and Student Workshop delivered by Positively You

We are delighted to inform you that Positively You, the UK's leading provider of educational workshops, will be working with our Year 11 students on Wednesday 30th September. During the school day, all students will participate in a one-hour workshop focused on effective study skills, memory techniques, and examination preparation strategies designed to support their success throughout this important academic year.

Following the student workshop, we would like to invite you to attend our Year 11 Parental Engagement Evening which will take place from 6pm - 7pm in the Dutch Barn on the Lower School site.

This engaging and informative session has been specifically designed to provide parents and carers with an understanding of the strategies and techniques their children have learned during the day. The aim is to empower you to become an active partner in your child's learning journey and to support them effectively as they prepare for their examinations.

What You Will Learn

During this session, you will:

- Discover the same study techniques your child has been taught;
- Learn how memory works and how to support better information retention;
- Understand how to assist with revision, regardless of your own subject knowledge;
- Gain practical tools for managing examination stress and building confidence;
- Explore ways to create an effective learning environment at home.

In addition, there will be important subject-specific information available, including guidance relating to Non-Examination Assessments (NEAs) and details regarding forthcoming examinations.

We strongly encourage all parents and carers to attend this valuable event and take advantage of the opportunity to gain practical insight into how best to support their child during this crucial stage in their education.

Should you have any questions regarding the workshop or the Parental Engagement Evening, please do not hesitate to contact me using the e-mail address provided below.

We look forward to welcoming you on the evening.

Yours sincerely,

Wendy Johnson (Year 11 Progress Leader)
